EASTER IS COMING!

Easter is April 16—right around the corner, and it's the perfect time to share the story of Jesus with your friends and family!

If you will be celebrating with your children or grandchildren, **Resurrection Eggs®** will help you convey the miracle of the resurrection of Christ. Read the story together, open each egg and find the surprise inside—a symbol of His journey to the cross. It's a great way to connect!

As a matter of fact, if you are one of our financial partners, we would love to send you a complimentary set of Resurrection Eggs® as a thank-you gift for your faithful support. Just text, email, or call us to let us know you would like a set. They frequently sell out this time of year, so act quickly to make sure the eggs

arrive before Easter!

Perhaps you plan to serve a meal as part of your celebration. If so, you may want to visit www.everthinehome.com to see the lovely items created by Barbara Rainey and her team. Your table setting or home décor can be the springboard from which profound conversations about Jesus arise. What a meaningful way to celebrate!

Have a blessed Easter!

Prayer Requests:

- Please pray for energy, strength and stamina for us as we travel this spring
- Please pray that we will seek God and follow Him as we work

WHAT WE ARE DOING

Wow, March has been and will be a busy month— we will only be home about half of it, so it's a good thing that the grass is not yet growing enough to need mowing!

This coming week we will leave for Texas again to conduct the second round of training in Austin and Houston. Then we will be part of the Houston marriage ministry training with **Esteem Marriage**. Look to the right and you can see a picture of Scott as he led the session during the Austin meeting in early March. We are so excited to be part of what God is doing for marriage in Texas!

Sunday, April 2 we have been invited to attend First Filipino Baptist Church in Houston to share about FamilyLife and its resources. God has connected us to the pastor there—they are so excited about marriage ministry! We are looking forward to worshipping with them.

We have been busy, but we have managed to squeeze in a few days for rest and relaxation (R&R). We recently spent a long weekend in Northwestern Arkansas with some friends. Winter returned for a few days and created a lovely frozen landscape complete with snow! We hiked a bit and discovered we are not as young as we used to be, but we

still succeeded in having a grand time!

While in Texas, we hope to enjoy some spring weather and view the beautiful wildflowers so prevalent there. Between our time in Austin and Houston, we will spend a weekend celebrating our 34th wedding anniversary! I'm not sure how that can be, since I'm not even that old! Ha! It's been a (mostly) wonderful 34 years, and we never would have made it this far without God and the principles we've learned from His Word. He is so good to us!
